Statements & Assumption

PAGE NO.:

DATE: / /

Assumption $\longrightarrow$ Possibility

Answer options:-

- ✓ 1) IF only Assumption I is implicit
- ✓ 2) IF only Assumption II is implicit
- ✗ 3) IF either Assumption I or Assumption II is implicit.
- ✓ 4) IF neither Assumption I nor Assumption II is implicit.
- ✓ 5) IF both Assumption I and II are implicit.

Note:- either — or का मतलब होता है नही because Assumption में either — or नहीं होते.

Assumption are wrong:-

- 1) Opposite to statement
- 2) Illogical

① Statement:- The Govt. has recently announced additional Food for work programmes for all the drought affected regions in the country.

Assumptions:-

- ✓ I The Govt. has adequate Funds to run these programmes.
- ✓ II Affected people may be able to get at least one meal a day to these programmes.

Both Implicit ✓

2) Statement :- most of the engineering colleges in the state applied to the regulatory body for sanctioning more number of seats for the next academic session.

Assumptions :-

- ✓ I) The regulatory body may grant additional seats sought for by the engineering colleges of the state.
- ✓ II) The engineering colleges of the state may get adequate number of applications to fill in the additional seats.

Both implicit ✓

3) Statement :- The municipal corporation has announced 50 Percent reduction in water supply till monsoon arrives in the city.

Assumptions :-

- ✗ I) People may protest against the unilateral decision of the municipal corporation. [Opposite to statement]
- ✗ II) Municipal corporation may reduce its taxes from the residents as it failed to provide adequate water. (Illogical)

None implicit ✓

- 4) Statement:- In view of the severe heat waves passing through the state, the Govt. has asked all the schools to remain closed for the next Fort-night with immediate effect.

Assumptions:-

- ✓ I) The heat waves may not continue beyond a Fortnight
- ✗ II) The Parents of the students may not allow their wards to attend school even after a Fortnight. (opposite to Statement)

(Only I implicit) ✓

- 5) Statement:- many people were caught by the railway police while they were trying to cross the railway tracks and imposed heavy penalty before releasing them.

Assumptions:-

- ✓ I) People may refrain from crossing railway tracks in future.
- ✗ II) People may continue crossing railway tracks and pay heavy penalty. (opposite to statement)

(Only I Implicit) ✓

- 6) Statement:- A very large number of people stood in the queue for buying ticket for the one-day international cricket match scheduled to be played in the city on the next day.

Assumptions:-

- X I) No other one-day international cricket match may be played in the city for the next six months. (Illogical) X
- ✓ II) Majority of those who stood in the queue may be able to get ticket for the one-day international cricket match.

(Only II implicit) ✓

- 7) Statement:- The highway Police authority has put up large boards at regular intervals indicating the speed limit and dangers of over-speeding on the highways.

Assumptions:-

- ✓ I) Most of the motorists may drive their vehicles within the speed limit on the highways.
- ✓ II) Motorists generally ignore such cautions and over-speed on the highways.

(Both Implicit) ✓

- 8] Statement:- The employees association urged its members to stay away from the annual function as many of their demands were not met by the management.

Assumptions:-

- ✓ I] Majority of the members of the association may not attend the function.
✗ II] The management may cancel the annual function. (Illogical)

(Only I Implicit) ✓

- 9] Statement:- The sarpanch of the village called a meeting of all the heads of the families to discuss the problem of acute shortage of drinking water in the village.

Assumptions:-

- ✗ I] The sarpanch had earlier called such meetings to discuss Various Problems. (Illogical)
✓ II] Most of the heads of families may attend the meeting called by the sarpanch.

(Only II implicit) ✓

10) Statement:- The municipal corporation advised all the people living in the shanties along the beaches to move to higher places during monsoon.

Assumptions:-

- ✗ I) many people living in the shanties may leave the city and relocate themselves elsewhere in the state. (Illogical) ✗
- ✓ II) Majority of the people living in the shanties along the beach may try to relocate to higher places during monsoon.

(only II Implicit) ✓
